40TH ANNIVERSARY

For 40 years, SLSF supporters have enabled inclusion, promoted diversity, and improved the lives of children and adults with disabilities. Join us as we celebrate 40 years of making an impact!

Special Leisure Services Foundation (SLSF) was formed in 1981 as the fundraising arm of NWSRA and exists to support children and adults with disabilities through philanthropy for NWSRA.

Today, with the rise of financial uncertainty and the diagnoses of various disabilities, families face increased challenges toward accomplishing the basic tasks of providing for their child or adult with a disability. As families struggle to provide basic needs, many individuals with disabilities are unable to access opportunities to enhance personal independence, health & wellness, sensory integration, social & emotional skills and experience community integration. This is where you come in!
