In 2020, SLSF started the year with \$1,249,227. There was a withdrawal of \$210,000, but still show a gain of \$123,390, with a overall return of 11.60% for 2020. He indicated that, for safety purposes, he is going to leave some of the portfolio in fixed income. End of summer will give a better picture of what the market is tolerating. Trustee Oates asked where he anticipated the drop in funds. Mr. Hanson responded that the large cap growth areas are where he anticipated the drop and only have two mutual funds in those areas. He also mentioned that if SLSF needed any funds that he would pull from those funds before any other. Event: Arlington Classic Golf Outing

Event History: This golf outing began as a collaboration between the Rotary Club of Arlington Heights, of which Kevin Kendrigan was a member, and Special Leisure Services Foundation as a way to run an event that would benefit both agencies. SLSF would do all the organizing of the event including securing a golf course, and the Rotary Club would solicit golfers, sponsors, and raffle prizes. In 2011, the Rotary Club of Arlington Heights Sunrise merged with the Rotary Club of Mount Prospect Sunrise creating the Rotary Club of Mount Prospect/Arlington Heights and the partnership on the outing continued. In 2015, that Rotary Club of Mount Prospect/Arlington Heights dissolved due to low membership and the Rotary Club of Arlington Heights Noontime was asked to become the collaborators on the outing and they accepted.

A highlight of the outing is the naming of the Duffer of the Year. The duffer was created to acknowledge a person who contributes to the Arlington Heights community in a significant way, but is not recognized publicly for their efforts. In May of the outing year, the previous duffers meet for lunch and vote for the person they think deserves to be the new duffer. That person is then taken to lunch/coffee by a duffer representative and an SLSF representative and asked to act as the year's duffer. The duffer is required to attend the outing, create a gimmick hole contest for the "Duffer Hole" and to bring in sponsors and golfers for the event. At the outing dinner, they have an opportunity to speak and are given a green "Duffer Jacket" that is embroidered with the duffer symbol and the year they were the duffer.

Duffer History:

'93 Ernie Blomquist	'01 Jack Whisler	'09 Tom Kivlahan	'17 Neil Scheufler

'00 Angelo Capulli	'08 Mike Flaherty	'16 Beth and George Drost	

of years event held: The event has been held since 1993, this was the 29th year.

Event Explanation: The event is held the second or third Thursday in September depending on the dates of the Jewish High Holidays. It's hosted at Arlington Lakes Golf Course in Arlington Heights. The event is an 18 hole, shot gun scramble format. This year the committee decided to offer a boxed lunch for golfers that could be taken out on the golfer course. An additional \$25 catered dinner was served after golf with a program and raffles. Rotary and SLSF representatives spoke about their mission.

Event Preparation: In October following each outing, SLSF contacts the Rotary Club to renew the letter of agreement to collaborate on the next year's outing. Following that agreement, the golf course is confirmed and dates are set in the SLSF calendar. In February or March, an SLSF representative attends the Rotary Club meeting and talks about SLSF/NWSRA and the outing. In May, the duffers meet to vote on the year's duffer. When the duffer has accepted, flyers are made and a save the date is sent electronically to the last three years' participants. The committee consists of members of the Rotary Club of Arlington Heights. An SLSF representative begins attending their lunch meetings in May to talk about the club's responsibilities and keep the club updated on progress. Club members are asked to volunteer to gather raffle prizes, solicit sponsors and golfers. Committee members are sent a weekly update to share with the club and to keep the club active in the recruitment process.

The SLSF representative meets/emails/talks to the committee and the Duffer on a weekly basis as soon as the flyers are sent in early July. This year a survey was sent to all past duffers at the end of April to see if the Duffers wanted to continue this tradition. The majority vote was to not continue the Duffer for this year.

The dinner caterer is contracted in June to place the lunch and dinner order. The SLSF representative meets with the golf course professionals to make certain all is in order.

In addition to help raise more money and to have Rotarians help support the outing in the event they were unable to attend the event, raffle tickets were sold at Rotary meetings leading up to the outing.

Brian Meyer Neil Scheufler Betsy Kmiecik

Summary: The Arlington Classic Golf Outing is a collaborative event between SLSF and the Rotary Club of Arlington Heights. Through this relationship, SLSF has received numerous donations and sponsors for additional SLSF events from the Rotary members through continued relationship building.

The expenses were lower than budgeted because we did not have to purchase beer and the tee gifts were donated by the Arlington Heights Park District and Suburban Accents. The event went very well and we had wonderful weather. We saw an increase in sponsorship specifically hole and business hole sponsorships. We did have more golfers than budgeted but less than what the course requires closing of the course after the outing was over, prior to the outing we had 82 golfers. The decrease was due to some golfers not attending. SLSF will work with the Rotary Club for next year to bring more members to the committee as well as bringing in more golfers.

Event: ***Women's Golf Outing***

Event History: NWSRA Executive Director Kevin Kendrigan and Arlington Heights Park District Executive Director Jerry Oaks wanted to put a Women's Golf Outing together. Carol Gabrielsen, Kevin and Jerry were in the Arlington Heights Rotary Club together. SLSF already hosted several golf outings that were attended mostly by men and they wanted to make women aware of the missions of NWSRA and SLSF. Thus, the Women's Golf Outing was born in 1992. They contacted the women in the Arlington Heights Rotary Club and women who were active in the Arlington Heights Chamber of Commerce to participate. NWSRA contacted the park districts and requested a foursome from each of the 17 districts. Carol Blackwood joined the committee the following year.

About 10 days before the first outing, Kevin, Jerry and Carol met. Kevin asked for the names of Carol's golfers, who told him she did not golf and was going to work the outing. Kevin said, "No, there are volunteers, get a foursome together." Carol jokingly said that Jerry would have to caddy for her, as she had never golfed. They all laughed and said to try to sell caddies at the outing. Kevin and Jerry called park district directors and Carol requested men from the Arlington Heights Rotary club to volunteer as caddies.

The first year caddy bidding started at \$10.00, most caddies went for \$25-\$40. Today caddies go for \$200 - \$1,600.

of years event held: 29 years

Event Explanation: The Women's Golf Outing is a women's only 9 - hole golf event (cost is \$80.00 prior to August 1st and \$100 after August 2nd) This event usually occurs the third Wednesday in September at Old Orchard Country Club in Mt. Prospect. In 2021, the event was held the first Wednesday in September at Old Orchard Country Club in Mt. Prospect.

- Caddies arrive at 11:00 a.m. to begin to set up their "expo tables."
- Golf check-in begins at 11:30 a.m. with lunch served at 12:00 p.m. The Caddy auction begins around 12:45 p.m. Tee off immediately following the auction – approximately 1:30 p.m.
- Caddies are auctioned to the highest bidding foursome.
- Pass Purses are available for purchase for \$25.00 prior to tee off. The pass purse enters the golfer into all course contests out on the course.
- In 2021, boxed lunches were available for golfers with a wrap, fruit and a cookie. All golfers were sent a link to a Google survey to let them choose what they wanted for lunch.
- The lunch, caddy auction and Hors d'oeuvres were all set up outside to accommodate social distancing.
- 9 holes of golf are followed by Hors d'oeuvres, awarding the contest hole winners and raffles. The front 9 is for those who really know how to golf and the back 9 is for those attending who just want to have fun.

- In addition to splitting up the golfers on the front and back 9, the gimmick holes were all split to be on both the front and back 9.
- This year's tee gift was a SLSF ball marker, sleeve of pink golf balls, a Nothing Bundt bundtini and Julie Murtaugh of Baird & Warner donated gift bags with towels

Event Preparation: A facility request is sent to Old Orchard Country Club and the Prospect Heights Park District in October of the previous year. SLSF contacts Old Orchard Country Club in February of the event year to confirm the outing date and the menu. Meetings with the committee begin in May in 2021. The committee meetings are held on Wednesdays in May at 1:00 p.m. via Zoom. Letters to prize donors and sponsors are sent in July and August and flyers are sent in July.

In preparation for the event, SLSF contacted all golfers to ask what boxed lunch they would like (roasted turkey, grilled chicken, tuna salad or vegetarian). SLSF contacted Old Orchard Country Club to discuss the logistics of offering the lunch and caddy auction portion of the day outside. SLSF emailed golfers two days prior to the outing with all the day of logistics for registration, lunch, caddy auction, cocktail hour and the raffle.

Summary:

The outing raised almost \$7,400 over budget while keeping many of the same segments as the 2020 outing as COVID was still a concern. The outing had 90 golfers and 16 individual caddies. The back 9 was full and the front 9 had 7 groups. Unfortunately, not all of the UPS caddies were able to attend as they were headed to New Orleans after Hurricane Ida, but the outing had 8 new caddies in attendance and raised over \$10,000.

SLSF kept the lunch, caddy auction and cocktail hour portions of the event outside to accommodate social distancing guidelines. It was a beautiful day and many golfers requested to have the event outside again next year.

Soliciting prizes for raffle tables was a little difficult this year, but many great baskets and items came in as we got closer to the event, including many great pieces of jewelry.

Event: ***Buffalo Grove Golf Classic***

Event History: The Buffalo Grove Golf Classic is a collaborative fundraiser between SLSF and the Rotary Club of Buffalo Grove, which began in 1993 to build awareness of SLSF in the northern portion of the NWSRA service area. The event was spearheaded by then NWSRA executive director, Kevin Kendrigan and then Buffalo Grove executive director, Mike Rylko. Disbursement formula: First \$10,000 of profit to SLSF, next \$5,000 profit to Rotary Club of BG, then split the remaining profit 50/50 between SLSF and Rotary Club of BG.

of years event held: 28 years

Event Explanation: The Buffalo Grove Golf Classic is a golf outing for a maximum of 128 golfers held at the Arboretum Club in Buffalo Grove. This event features:

- Ball drop, with all the proceeds going to the Rotary Club of BG. The Rotary Club is in charge of selling the balls and providing the fire truck for the day of the event. This year due to the storm and rain we were unable to have the fire truck come out. All the golfers were able to throw their golf ball towards the pin to attempt to be the closest to the pin.
- Live Auction – Who wants to ride in the basket of the Hook and Ladder Truck? Individuals bid live auction style with the winning bidder riding in the basket or bidding to have someone else go in the bucket and dropping the balls for the Ball Drop Contest. All proceeds from this auction will go to the Rotary Club of BG. In 2021, the live auction was not held due to the storms and rain.
- Longest Putt – Golfers had the chance to compete for a foursome of golf at the Arboretum Club. Passport holders were entered into the contest and all other golfers could enter for \$10.
- Passports – are available for purchase for \$50.00 prior to tee off. The passport enters the golfer into all course contests, dinner hour raffle and 2 mulligans.
- Box lunch served, 18 holes of golf, followed by a buffet dinner with raffles and silent auction items.
- This year's tee gifts included a bag tag, sleeve of golf balls, golf towel and a koozie.

Event Preparation: Each year the outing is held the 3rd Wednesday of May, except for last year and this year. Last year the outing was held the last week of September and this year the outing was moved to the 2nd week of August based on the COVID – 19 pandemic. SLSF contacts the Arboretum in December to set the date and sign the food contract with the vendor. Meetings with the committee begin in April after talking with the Rotary Club representatives. The committee meetings are held on Thursday prior to the Rotary Club of Buffalo Grove's weekly meeting. This committee meets four times prior to the outing. SLSF is in contact with the golf committee leaders on a weekly basis. Letters to sponsors are sent in April and prize letters and flyers are mailed in May and June. SLSF works with Rotarians to secure a car for the hole in one contest. The majority of the prizes are secured by the Rotary Club of BG.

Summary: The Buffalo Grove Golf Classic is a collaborative event between SLSF and the Rotary Club of Buffalo Grove. Through this relationship, SLSF has received numerous donations and sponsors for additional SLSF events from the Rotary members through continued relationship building.

Event day went very well, we did have some storms and rain to start the event causing a 30 minute rain delay. Due to the rain and storms we were unable to have the firetruck for the ball drop. Golfers threw their golf balls onto the putting green and three winners were determined and awarded prizes. After the weather cleared we had a beautiful day out on the course.

This year CDE Collision Center returned as a presenting sponsor. There was an increase in sponsorship from the Rotary Members and they surpassed the budgeted amount by bringing in past and new sponsors to the event.

Due to the rain lunch was moved inside to the bar area so golfers could stay dry and cool prior to the shot gun start. After golf, golfers were able to enjoy a buffet dinner and raffle prizes during the program. During dinner the golf committee honored one of their own, Carmen Molinaro for his many years of support and dedication to this outing! SLSF has received many positive comments from golfers regarding the event and that they are looking forward to coming back next year!

Event: Moretti's/NWSRA Golf Outing in Memory of Kevin T. Kendrigan

Event History: The outing began as and remains a collaboration between NWSRA/SLSF and AlaCarte Entertainment Group. AlaCarte was looking for a charity to support and Kevin Kendrigan suggested SLSF, the rest is history.

of years event held: The first collaborative outing was held on July 29, 1987- this year marked the 34th anniversary of the outing.

Event Explanation: This is an 18 hole, scramble golf event held the third Wednesday of August. The outing rotates between the Mt. Prospect Golf Club, Old Orchard Country Club and Schaumburg Golf Club. In 2021, the event was held at the Schaumburg Golf Club and Academy on the 3rd Wednesday in August due to the golf course holding their Links tournament the week before.

Event Preparation:

SLSF:

- Solicits committee members, holds two meetings and sends out minutes.
- Keeps the committee members informed of the outing's progress via weekly emails.
- Creates and sends out publicity (save the date, flyers) for the outing.
- Does all the inside paperwork.
- Negotiates with the golf courses.
- Seeks and supervises volunteers.
- Creates all day of paperwork.
- Handles all money, invoices and thank you letters.
- Contacts media for publicity.

Committee Names: (when outing is at Schaumburg Golf Club)

Jim Earley	Tim Schaap
Jon Parsons	Bob Whitehead

Most years the majority of the attendees at this outing are Ala Carte Entertainment liquor, food and supply vendors.

Gimmick Hole explanation:

- Split the Pot - Passport holders are entered, all other golfers may enter for \$10.
 - A volunteer writes the golfer's name on a raffle ticket and places it in the golf bag (donated by MolsonCoors).
 - During dinner after the outing, 2 tickets will be drawn. 1st ticket pulled wins half of the day's pot and 2nd ticket pulled wins the golf bag.

Evaluation responses:

The event went very well and saw an increase in sponsorship from the budget. With the event not being held last year and many businesses getting back on their feet it was difficult to contact past golfers and sponsors. The committee was extremely happy with the outing and are hopeful that it will continue for years to come. AlaCarte vendors were very generous when donating items for the raffle table, there were prizes for almost all 69 golfers.

Re: Program Report, July 1 – September 1, 2021

NWSRA General Therapeutic Recreation Programs & Services

NWSRA is currently offering both in person and virtual special events. In July, we had an Italian dinner night out, at Olive Garden, with 15 participants in attendance. During August, 12 participants went to the Cornfest Concert in Rolling Meadows. They enjoyed unlimited sweet corn and listened to a live band. We hosted five virtual events in July and August one of which was a Lip Sync Battle. Participants sang and danced as they performed to their favorite songs. Lightning Athletics remains in full swing. Alex C. resident of Rolling Meadows brought back a Gold Medal for the Special Olympics State Golf Competition. Nine of the bowling athletes qualified to attend the State Competition in December.

Day Camp

NWSRA successfully ran 11 camps and one aftercare camp. 176 individual participants were able to attend camp this summer regardless of financial status. Over \$40,000 in scholarships were awarded for camp fees as well as transportation fees. Locations of camps included Burning Bush Community Center (River Trails Park District), Plum Grove Park (Rolling Meadows Park District), Bartlett Community Center (Bartlett Park District), NSSEO Schools (Sunrise Lake Outdoor Education Center, Miner School and Kirk School), District 15 schools (Pleasant Hill School and Marion Jordan), District 54 schools (Armstrong and Aldrin) and aftercare was held at Central Community Center, NWSRA wing. Campers participated in several activities including but not limited to: art, gross motor, fine motor, sensory, and social/emotional along with occasional swimming days and weekly field trips. Pools were utilized this summer that included, Bartlett Pool, Birchwood Pool, Sunrise Lake, Kirk Pool, Palatine Family Aquatic Center, and Wheeling pool/splash pad. Some of our weekly field trips included but were not limited to: Parkour at The Zone (River Trails Park District), Martial Arts (Sky Centers in Lombard), Blackberry Farm, Elk Grove Rotary Fest, Voegelé Barn (Hoffman Estates Park District), and Zoo to You.

PURSUIT Community Adult Day Program

On July 9, PURSUIT Hanover Park took a trip to meet with members of the Schaumburg Monarch Initiative. Clients saw a monarch lay her eggs! The group picked up 15 monarch eggs, and spent the afternoon preparing the enclosures where the caterpillars will grow. We are looking forward to releasing these monarchs to help save this population.

On August 12, all five PURSUIT sites participated in the Color Walk-A-Thon event at the Palatine Community Center. Each site wore a different color and clients received a bracelet for every lap they completed. Clients enjoyed some friendly competition and a dance party with a DJ. We would also like to thank volunteers from the Rotary Club of Buffalo Grove and SLSF Board Members who helped make this event possible.

On August 16, PURSUIT clients were offered opportunity to focus on their health and wellness during program. Miki Graf and Amanda Ogura both Community Health Navigators with the YWCA Chicago provided PURSUIT with an educational presentation on the importance of handwashing and hygiene during the COVID-19 pandemic. Clients learned some quick tips on how to stay healthy, used a virtual trivia wheel, and all received goody bags.

Inclusion Services

The School Year started with a wave of inclusion requests for before and after care, numbers are steadily increasing and better than numbers seen prior to COVID. As with all agencies, the inclusion department is working through a major staffing crisis, having only three handfuls of part-time staff, with well over 50 inclusion requests. The team held their annual Fall Training, with only nine attendees, focusing on the importance of their position and the valuable support they provide to assist the residents in each member park district. Due to the staffing crisis, the inclusion team has been making frequent site visits, providing behavioral and sensory supports, as well as sending full-time staff out to aide in addition to typical job duties. In the month of September alone, Monday through Friday, full-time staff on a weekly basis are supporting 72 registrations. A multitude of recruitment efforts have been put into place, including raising the minimum to \$15/hour in hopes to gain more applicants.

NWSRA Sensory Garden / Dream Lab

The Sensory Garden Team is glad to announce a successful summer of gardening. The Open House event held on Tuesday, July 20, was a great success. Members of the Tri-Village Garden Club, Boy Scout Troop #196 Representatives, Mayor Rodney Craig, and many more were in attendance. Guests enjoyed a presentation, ribbon cutting and butterfly release put on by the Schaumburg Monarch Initiative.

The team continues to attend training opportunities and outreach events such as “Fall Garden Care” through Chicago Botanic Garden. Since being trained by the Schaumburg Monarch Initiative, PURSUIT clients successfully raised and released 30 monarch butterflies this summer. Clients were involved in finding eggs, caring for the caterpillars and inspecting the butterflies for disease. PURSUIT enjoyed being part of the entire life cycle and are hopeful that some of our butterflies will survive their entire migration south.

The Sensory Garden team is getting ready to transition to fall gardening and offer some unique seasonal sensory opportunities. Tri-Village Garden Club will be helping with this seasonal transition. While our seed-sharing bin will be closed for the winter season, the rest of the Lending Library offerings will be available.

All five of the PURSUIT adult day programs, utilized the Dream Lab monthly for field trips. Full-Time staff of the Dream Lab Team support PURSUIT clients in learning virtual reality, 3-D printing, accessible gaming controller for X-Box as well as basic computer skills on adapted keyboards and computer stations. Each client enjoys learning about the equipment and trying new technology.

The Dream Lab team is focusing on finding contracted instructors to bring the expertise to the accessible technology center to enhance all the features of the room. Members of the team continue to research trainings to bring new programming ideas as well as new software and adaptive technology to better serve each client.

Community Updates: (Recruitment / Outreach)

The NWSRA staff have dedicated their weekends and evenings to attending Outreach Events within the NWSRA 17 communities. Outreach events have ranged from Back to School Parties and Block Parties to Chamber Business Expos. At each outreach event, staff are focusing on recruiting new hires, while providing information on NWSRA and its Member Park Districts programs and services. To date, NWSRA staff have attended 30 Outreach Events.

Currently, Support Services is supporting the recruitment effort, until we can fill our open recruiter position. Each staff has been assigned an area in our communities to distribute flyers and talk with community agencies such as libraries and churches. We have posted on job sites including Indeed, 14 community colleges within our communities, four local universities, Illinois Joblink (IDES), Facebook, LinkedIn, ZipRecruiter, SimplyHired as well as 21 additional sites. Staff have also updated our High School Contacts to start visiting classrooms again, once they start allowing guests.
