

Dear Friends,

On behalf of Special Leisure Services Foundation (SLSF), thank you for being a part of this year's Hybrid Gold Medal Fashion Show in our 33rd year of hosting this unforgettable event. I consider it a privilege to be part of the incredible work of NWSRA and SLSF and to be working alongside you to support a cause that is committed to making a positive impact in the lives of thousands of families in our community.

If you have been involved with NWSRA for any length of time, you already know that there is something unique about the network of support surrounding this organization and its mission. We are a family, each of us connected, driven and inspired by witnessing how NWSRA programs ensure that everyone has the opportunity to experience all facets of life. We appreciate what is truly priceless: whether that is developing a new life skill, learning how to be part of a team, or simply making meaningful connections with others. NWSRA's exceptionally trained staff are continuously striving to provide the best in recreational programming for its participants.

By attending the Gold Medal Fashion Show, or any SLSF event, you are already a part of this family that believes in making these priceless experiences accessible for all. Take a moment today to look around you and appreciate the impact that you are making. Smile with the participants as you witness the joy of this special event. My gratitude goes out to you and to the committee members and volunteers whose hard work has made today possible. Let the show begin!

Sincerely,

Al Croek
